NOTICE INVITING TENDER

e-Government Procurement (e-GP)

TENDER NO. : RE1/KRWSA/MPM/SUS/NVR/25-26/25

The **Regional Project Director Government of Kerala, (OEO)** Office of the Regional Project Director, Regional Project Management Unit, Malappuram, KRWSA for and on behalf of the Governor of Kerala invites online bids for the work detailed below from the Registered Bidders of Kerala PWD or from any State or Central Government Engineering Departments which are having similar functionalities like Kerala PWD.

1	Name of Work	Sustainability Support to Community Management Water Supply Schemes: 2025-26 - Thengida Meethal WSS, Kizhakkayil Meethal WSS, Jaminimukku WSS, Thiruppurath WSS in Naduvannur Gramapanchayath - Kozhikode District
2	Location of Work	Kozhikode
3	Estimated Cost of Work	Rs.1727714.52/-
4	Brief Description of Work	The Thengida Meethal Water Supply Scheme, designed to serve 65 households, is presently in a partially functional condition due to blockage in the distribution network and reduced hydraulic efficiency of the existing pump set. The blockage in the distribution network has resulted in inadequate conveyance of water, while the poor performance of the pump set has adversely affected the pumping time, required discharge, and head. The Kizhakkayil Meethal Water Supply Scheme, designed to serve 50 households, is presently in a partially functional condition due to blockage in the distribution network and reduced hydraulic efficiency of the existing pump set. The blockage in the distribution network has resulted in inadequate conveyance of water, while the poor performance of the pump set has adversely affected the pumping time, required discharge, and head. The Jaminimukku Water Supply Scheme, designed to serve 55 households, is presently in a partially functional condition due to blockage in the distribution network and reduced hydraulic efficiency of the existing pump set. The blockage in the distribution network has resulted in inadequate conveyance of water, while the poor performance of the pump set has adversely affected the pumping time, required discharge, and head. The Thiruppurath Water Supply Scheme, designed to serve 60 households, is presently in a partially functional condition due to blockage in the distribution network and reduced hydraulic efficiency of the existing pump set. The blockage in the distribution network has resulted in inadequate conveyance of water, while the poor performance of the pump set has

		adversely affected the pumping time, required discharge, and head. In order to restore the scheme to its designed operational parameters and to ensure a sustainable and uninterrupted water supply, an estimate is proposed for the replacement/ repair of the damaged distribution network with a new pipeline of suitable specifications, and for the supply and installation of a new energy-efficient pump set, including testing and commissioning. The proposed works are essential for improving overall system performance and service delivery to the beneficiary households.
5	Bid Security	Rs.43500/-
6	Bid Submission fee (Tender fee)	Rs. 2500 + (18) GST
7	Period Of Completion	0 Days 4 Months 0 Years
8	Classification of Bidder	CIVIL-D
9	Last date and time for submission of bids	06-08-2026 at 04:00 pm
10	Date and time of opening of tender	07-08-2026 at 04:00 pm
