Dated : 14-05-2026

NOTICE INVITING TENDER

e-Government Procurement (e-GP)

TENDER NO. : RE1/KRWSA/MPM/SUS/PTY/25-26/07

The **Regional Project Director Government of Kerala, (OEO)** Office of the Regional Project Director, Regional Project Management Unit, Malappuram, KRWSA for and on behalf of the Governor of Kerala invites online bids for the work detailed below from the Registered Bidders of Kerala PWD or from any State or Central Government Engineering Departments which are having similar functionalities like Kerala PWD.

1	Name of Work	Sustainability Support to Community Managed Water Supply Schemes : 2025 -26 – Kavarthode Ganga SWSS – Jyothi Nanniyode WSS In Pattanchery Gramapanchayath Palakkad Dist.- General Civil Work
2	Location of Work	Palakkad
3	Estimated Cost of Work	Rs.1041121/-
4	Brief Description of Work	<p>The Kavarthode Ganga Water Supply Scheme, designed to serve 33 households, is presently in a partially functional condition with existing corroded pumping main and outlet delivery pipe, and also using bore well water with fluoride content. The damaged pumping main has resulted in inadequate conveyance of water, while the poor quality of the bore well water is causing problems for community. In order to restore the scheme to its designed operational parameters and ensure sustainable and uninterrupted water supply, an estimate is proposed for new pumping main of suitable specification and for supply and installation of a new energy-efficient pump set for open well (additional source), including testing and commissioning. The proposed works are essential for improving system performance and service delivery to the beneficiary households.</p> <p>The Jyothi Nanniyode Water Supply Scheme, designed to serve 39 households are presently in a partially functional condition with using existing insufficient open well source. Currently, the water availability for the 39 households under the Jyothi Nanniyode Water Supply Scheme is low. The insufficient water source in the existing open well is the reason. Therefore, as per the committee's request, it has been decided to operationalize the borewell, install the necessary pump set and required pumping main, and also carry out the maintenance work of the open well and the OHSR tank. In order to restore the scheme to its designed operational parameters and ensure sustainable and uninterrupted water supply, an estimate is proposed to pumping main of suitable specification and for supply and installation of a new energy-efficient pump set for bore well and also open well, including</p>

		testing and commissioning with required distribution pipe line, open well and OHSR tank maintenance. The proposed works are essential for improving system performance and service delivery to the beneficiary households. Project cost 1041121.00
5	Bid Security	Rs.26,028/-
6	Bid Submission fee (Tender fee)	Rs. 2500+GST
7	Period Of Completion	0 Days 4 Months 0 Years
8	Classification of Bidder	CIVIL-D
9	Last date and time for submission of bids	21-05-2026 at 4:00PM
10	Date and time of opening of tender	22-05-2026 at 4:00PM
